You hereby designate Terracotta as your agent for, and grant to Terracotta a power of attorney, which power of attorney shall be deemed coupled with an interest, solely for the purpose of effecting the foregoing assignment from you to Terracotta and to execute on your behalf patent and copyright applications or other such documents required to protect, enforce or perfect Terracotta’s right, title and interest in and to such Intellectual Property Rights, at Terracotta’s expense. The assignment and licenses granted pursuant to this Agreement are effective on the date You first submitted a Contribution to Terracotta, even if such submission preceded the date below.

6. This Agreement shall be governed by the laws of the State of California and applicable United States federal law, without application of choice of law rules.

7. You covenant, represent and warrant that Your Contribution is an original work of authorship and that You are legally entitled to grant the rights and privileges conveyed by this Agreement; Your Contribution, to the best of Your knowledge, does not violate any other party's copyrights, trademarks, patents, or other intellectual property rights; and Your Contribution is in compliance with U.S. export control laws and other applicable export and import laws..
